- **Action on the consent agenda means that all items listed under consent agenda are adopted by a single motion, unless a member of the Board or the Superintendent requests that such item be removed from the consent agenda and voted upon separately. Generally consent agenda items are matters which the administration and other staff have reviewed and approved as proper, and members of the Board have agreed are routine in nature and should be acted upon in one motion upon roll-call vote in order to conserve time and enable the Board to focus on other matters on the agenda.**
